NORHIAN

Marsha,

Boob-you! Oh you nutty
Know if it was good or
bad that you weren't in
any of my classes this year, but
I hope that we get to see more
of each other next. Have fun this summer
(why do I doubt?) and good luck always.

MIRIAM FROM BRAZIL

Miriam Simon, a mid-year addition to North Hills, came to us from Winchester-Thurston. In Brazil she enjoyed art, swimming all-year-round, and horseback riding. Arriving in Pittsburgh she found a new range of activities: AFS meetings, basketball games, ice-skating and sled-riding. Snow was a new and fantastic experience for her. "One morning I woke up at 6:00 and saw the snow outside my window. I was so excited that I ran outside in my nightgown and began taking pictures. It was so cold!" She doesn't know what it is like to have a brother. In Brazil she lives with her two sisters, Vicky and Rita, and her parents. Here in North Hills, she lives with the Rogers family — complete with three sisters. Miriam is seeing new places, tasting strange food, and broadening her life with new friendships and experiences.

Ola's family: Dr. Heyl, Jennifer, Louie, Debbie, Ola, and Mrs. Heyl.

Ola's Norway

— OLA —
OUR
NORWEGIAN

Ola's father in front of their cottage in Norway.

Ola's mother in the garden in front of their house in Oslo.

Ola's brother Arne.

Ola's sister, Anne Christine, with their two dogs.

On August 15, Ola Nordviste, our Norwegian exchange student, arrived in Pittsburgh in a new world of strange customs and habits. An obvious difference is in the size of the schools — Ola had only 600 — no crowded hallways. He found our many flavors of ice cream unusual, too, because he is accustomed to only vanilla and chocolate in Norway. Skiing is not only for relaxation in Norway; Ola employs skiing as a means of transportation to school. In Norway, Ola lives in Oslo with his parents, brother Arne, sister Anne Christine. His Pittsburgh family is the Heyls, who live in Highland Pines. Many foreign exchange students find that adjusting to a new way of life is difficult, yet Ola did adapt and participate in the activities of North Hills. Fortunately, he was able to play in a sport that was familiar to him — soccer. He was the main scorer for the Red Wave. "I got used to strange customs . . . like when the sun breaks through on a foggy day."

Pam and forty-three other students crowded into a JAL plane on Sunday, June 15. After a week of orientation in Tokyo, the students left each other to embark on their own to meet their individual families. Pam went to a small city, Shingu-shi, on the southern tip of the main island. She immediately became a part of a family of five: her father, a busy pharmacist; her mother, who had to go shopping for every meal due to the tiny refrigerator; her brother, Takeshi, a college student; Michiyo, her sister, a funny and enjoyable sister; her twelve year old brother, Yuji. Pam attended high school until mid-July, studying Japanese calligraphy and art. She had the opportunity to see the enactment of the "hi matsu" (fire festival) and "obon" (the return of the dead). Pam left her "family" in Shingu on August 22, and returned to Tokyo for a five day evaluation. Late on August 29, she reached Pittsburgh in one of her seven kimonos.

Pam's feelings about her summer in Japan — "If you ask me my reaction, I can only begin to tell you how much I loved it. I cannot even try tell you of the beautiful experience of being a part of another family and coming home with the knowledge of how to really be a part of your own home."

FOOTBALL

Begins in the summer — August. Heat . . . sweat . . . exhaustion, twice a day. Drills . . . drills . . . would be easier to quit. No, more work . . . building . . . waiting . . . Finally . . .

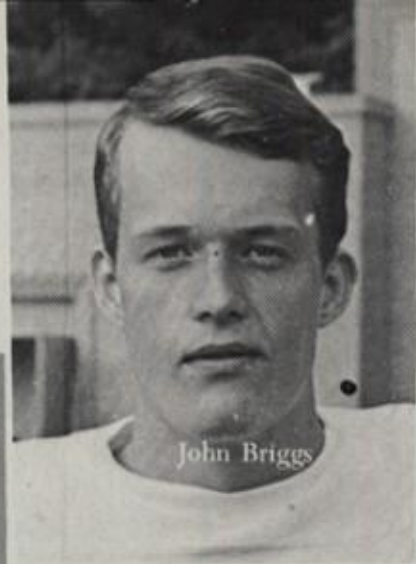

Autumn . . . Friday night . . . the stadium . . . The "Alma Mater." First game . . . last game, always the same . . . Anticipation . . . excitement . . . spirit.

The goal — victory . . . sought by the eleven players on the field . . . players on the bench . . . coaches . . . fans. The team will win.

The season — September to November . . . two months . . . nine games. Over before you know it . . . but its memories last. Memories . . . some bad . . . most good . . . none forgotten easily. Shutting out Shaler and North Allegheny . . . proving Sideline Same wrong — when he picked us to lose . . . blocked punts, upsets . . . Churchill . . . Senior Night.

Football . . . N.H.H.S. . . . 70.

John Briggs

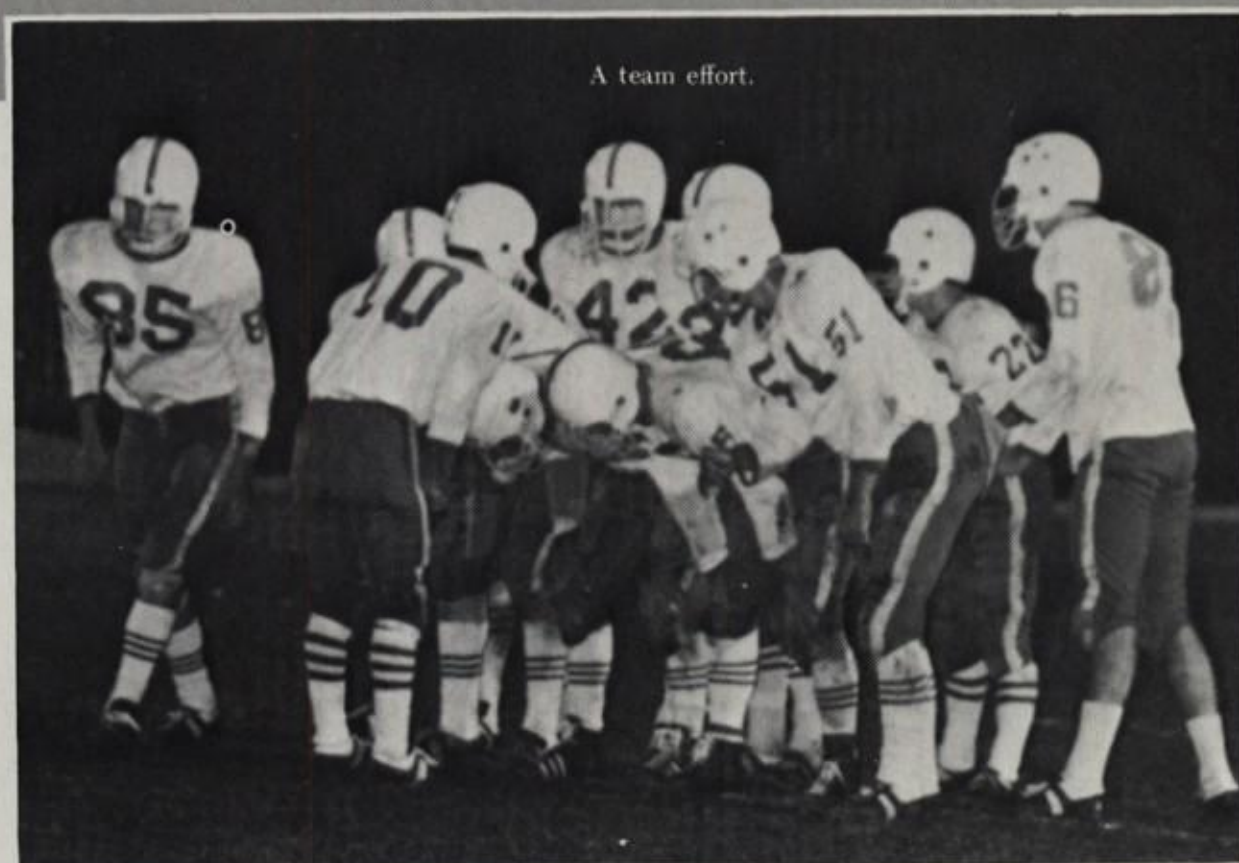

Bill Kolarik

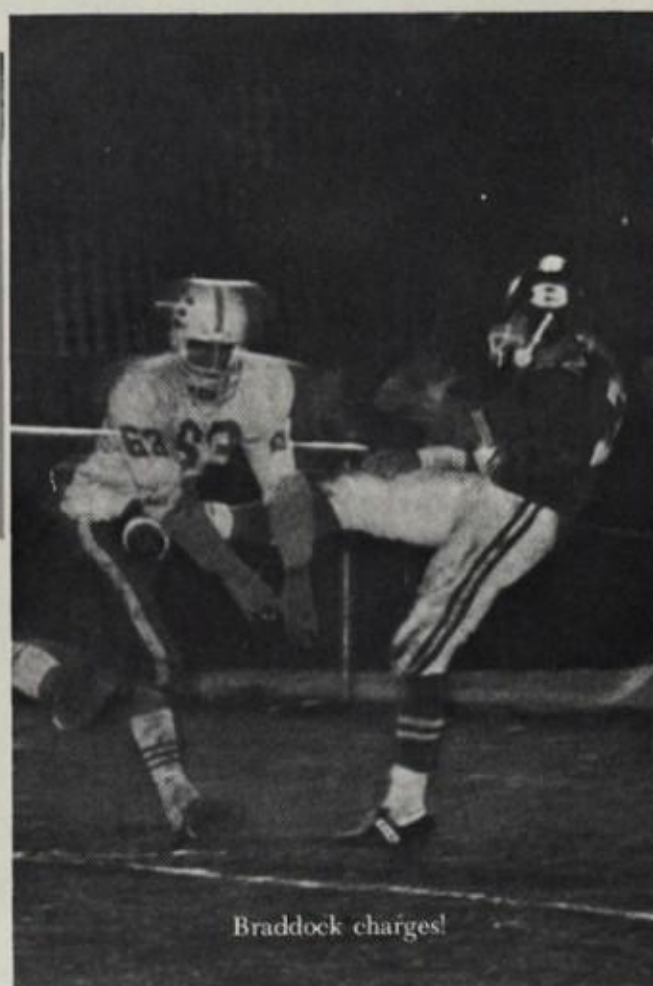

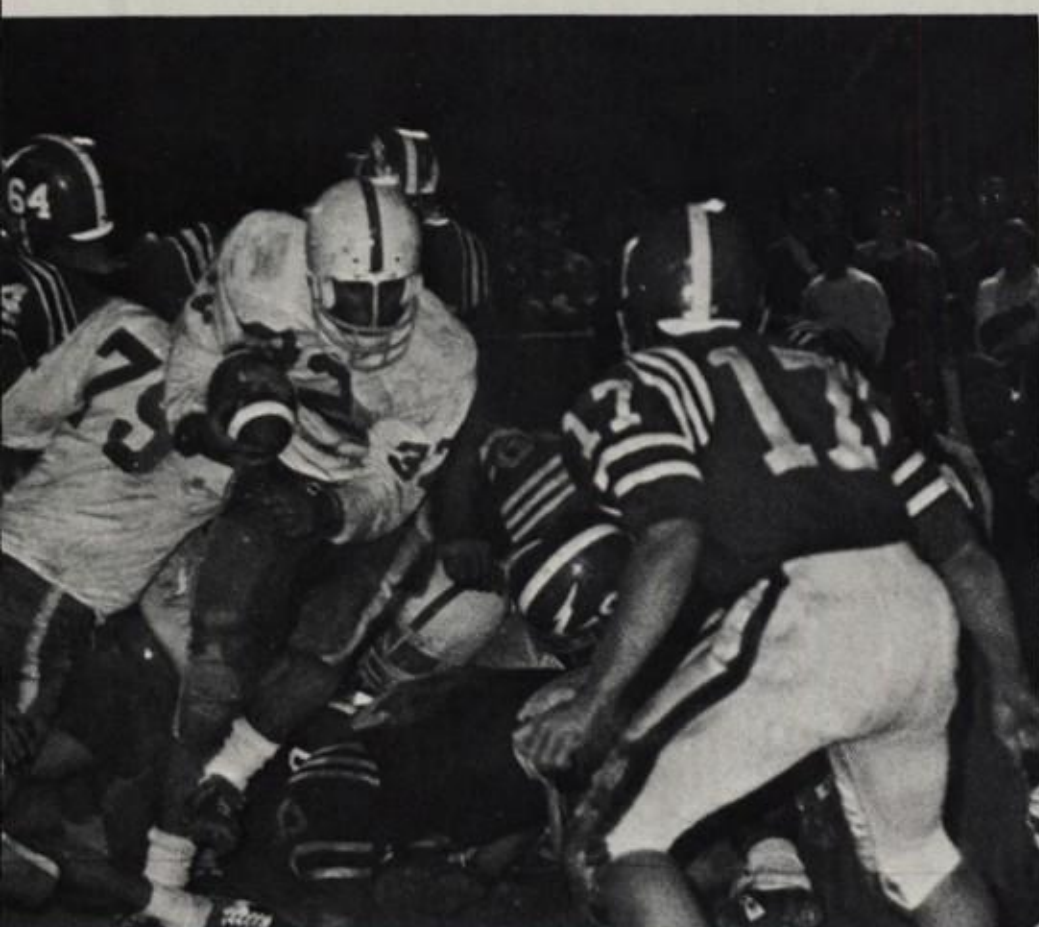

Neil Marchese

Captains

A team effort.

Braddock charges!

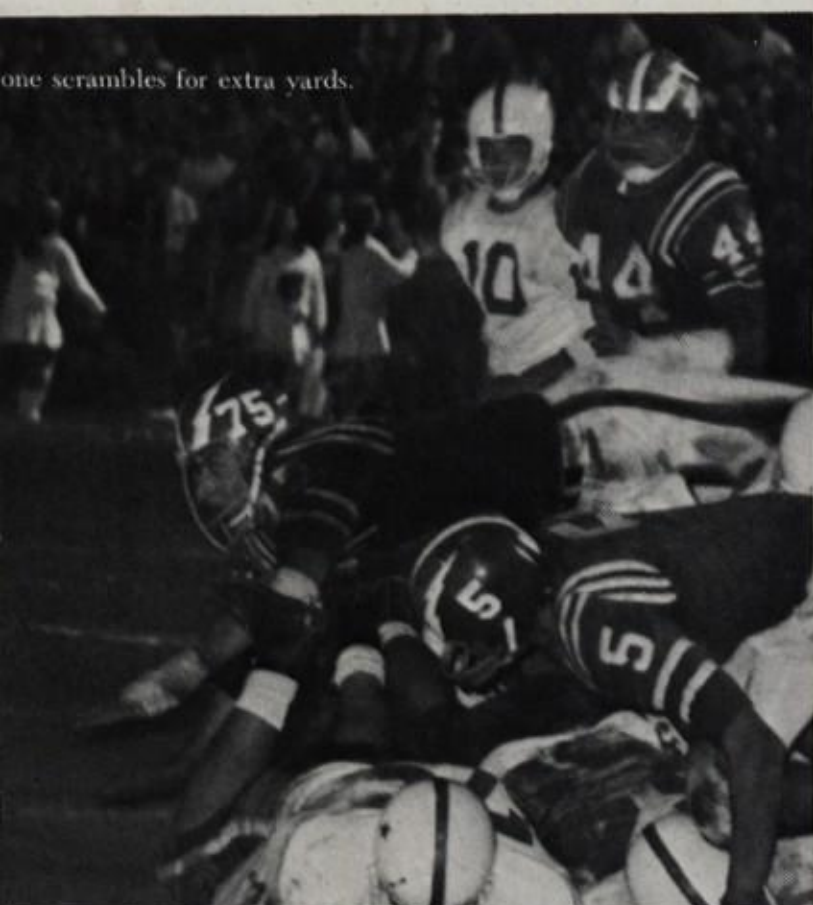

Their Leader

FOOTBALL: A rugged and grueling game.

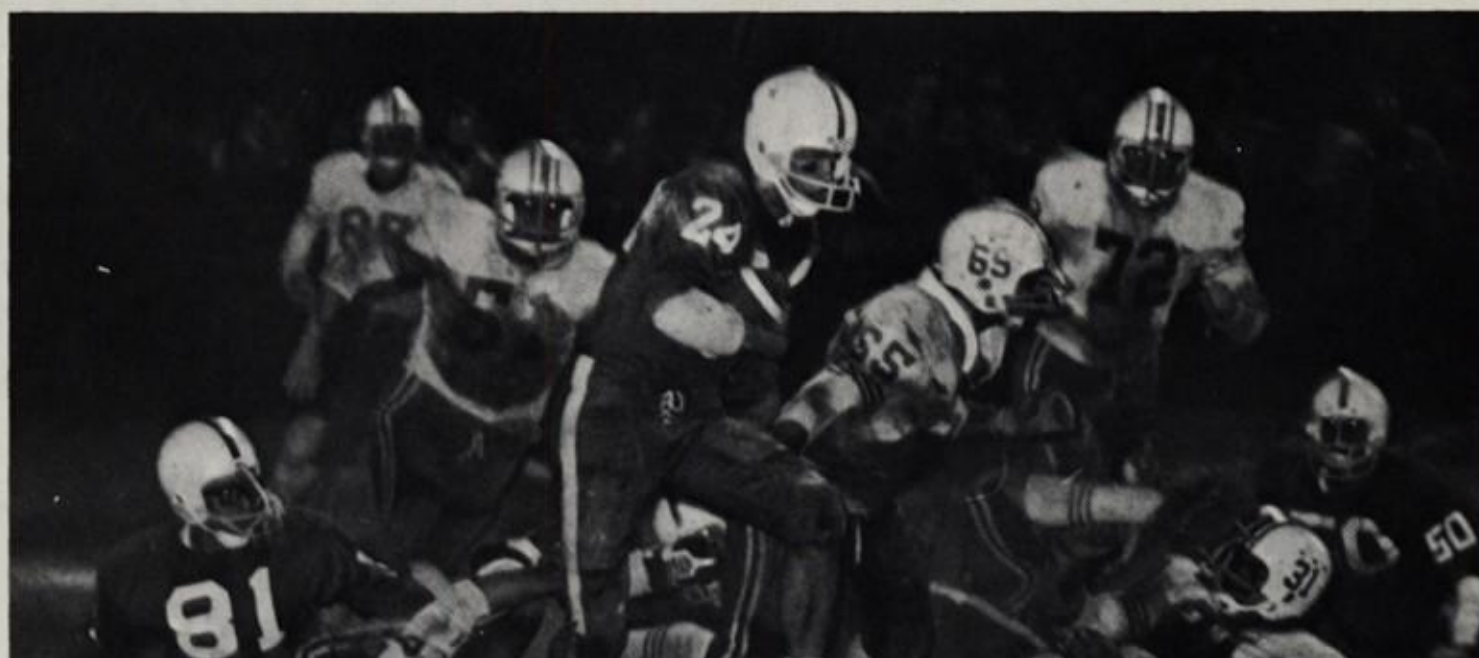

one scrambles for extra yards.

Quarterback Neil Marchese evades the NA rush.

Bill Kolarik executes a successful draw play assisted with fine blocking from Virgin and Skidmore.

ODE TO THE
KNOB!

Loneliness . . . pain known only to the participants . . . lack of spectators
 . . . running through mud and cold — watch out for that log! . . . practice
 . . . running, up hills, away from dogs and cars . . . more running . . . The
 meets, mental as well as physical toughness . . . Takes five men — the team
 — to win . . . Why run? — pride, accomplishment . . . getting a better
 time each meet.

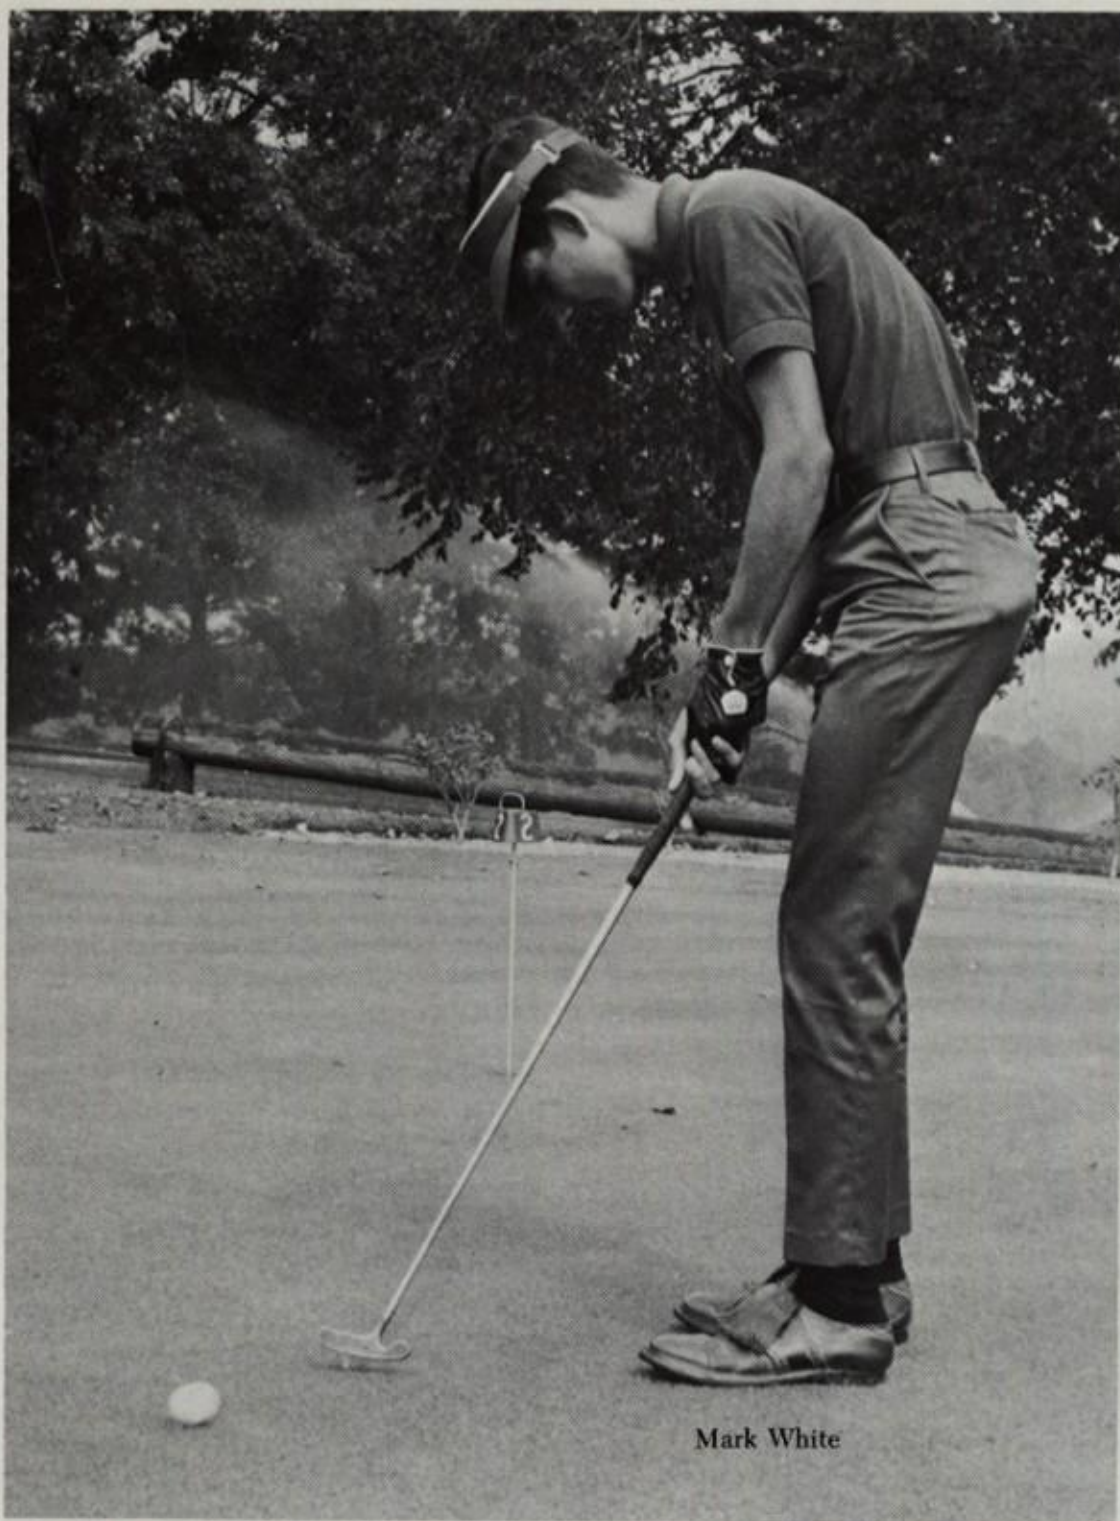

A mass in the beginning,
a few in the end.

Keith Franz

Determination is evident on the face of Hank
Corbett.

Mark White

Coach Guadagnino in his first year sponser of the golf team.

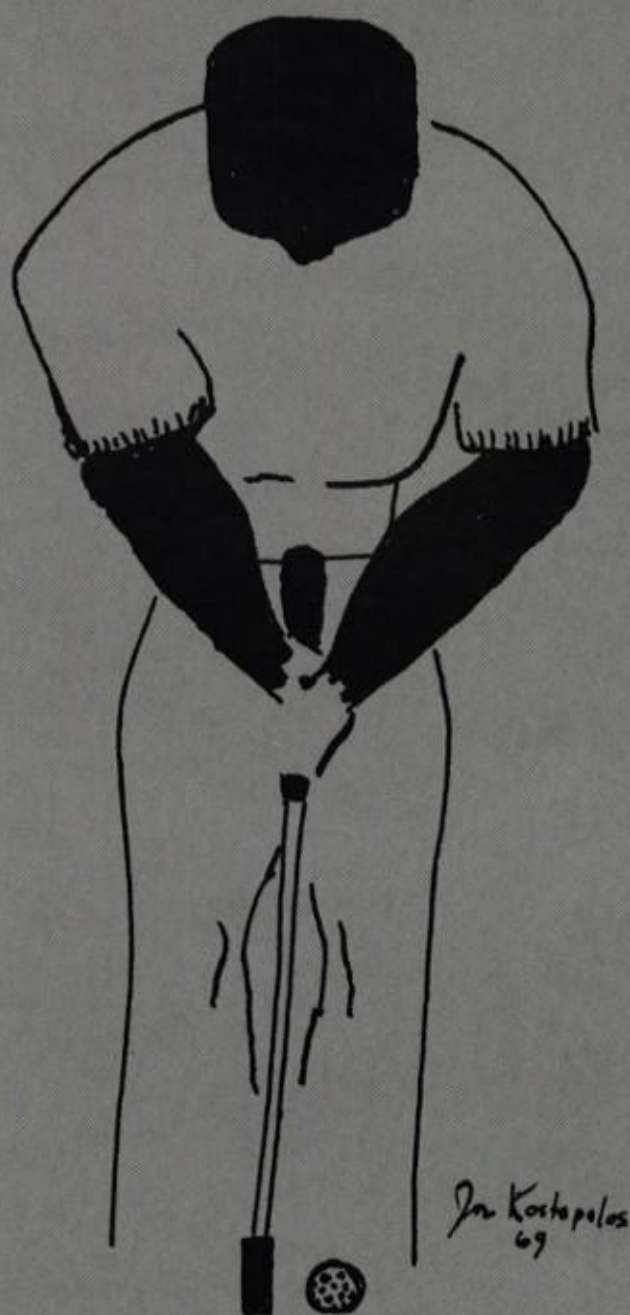

Mr. Guadagnino, Mike Maile, Mark White, Bob Gray, Jim Sopher, Paul O'Brien.

Jim Sopher — Captain

A new coach . . . a new season . . . same sport . . . Tryouts — you have to do well — doesn't matter what you shot last week-end . . . Lots of boys try out . . . few make it . . . Hazards . . . sand traps . . . rain . . . trees . . . water . . . out of bounds . . . The matches . . . unfamiliar courses . . . no one can cover for you — each shot counts — could mean another victory . . . So close to taking section . . . Another fine season.

Bob Liedke maneuvers ball for NH field position.

THE RED WAVE and SUCCESS

The most popular sport in the world . . . Soccer . . . First season as a WPIAL team . . . Practice — gaining valuable experience . . . Working for the future — working for this season . . . Playing the best teams in the league . . . improving all the time . . . Great spirit . . . great desire — hungry for victory . . . Finally — the well-deserved victory . . . defeating NA 1-0 — the reward.

John Kostopoulos
69

The team discusses a new strategy.

Fine ball control by Mike Gaylor sets pass to oncoming Ola Nordviste.

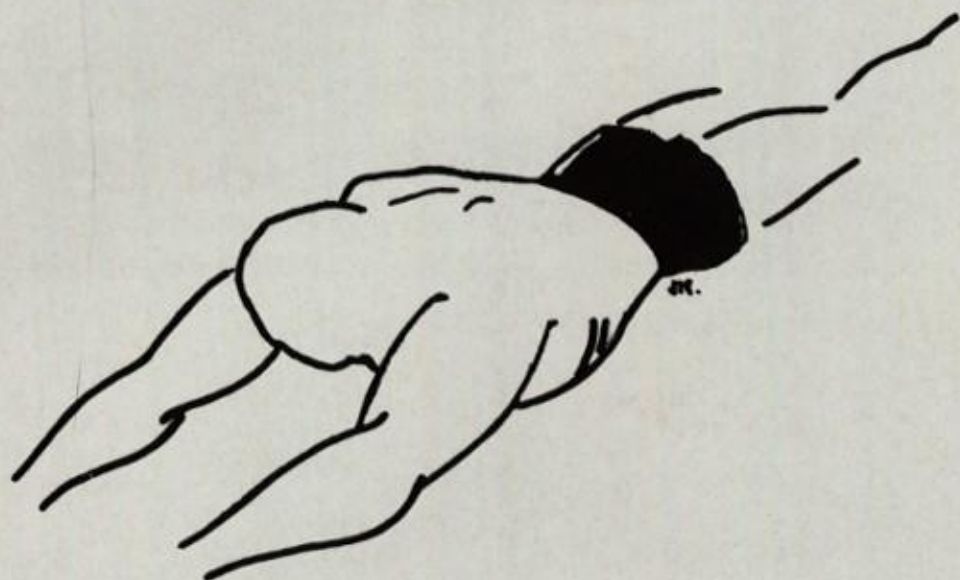

Coach Stelzer teaches finer points to the boys.

Dave Stalder employs a slide tackle in the North Allegheny game.

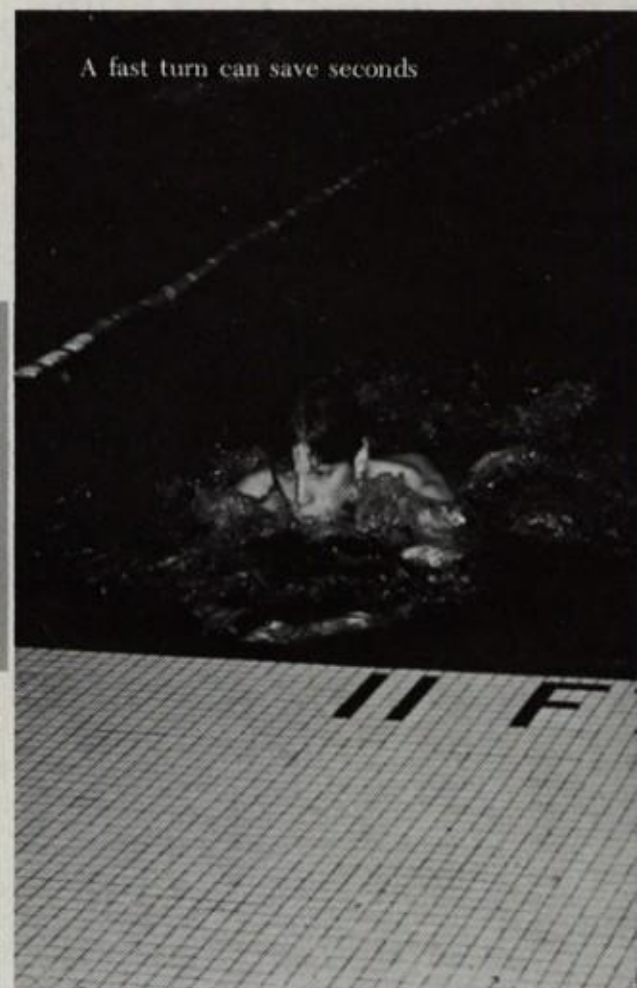

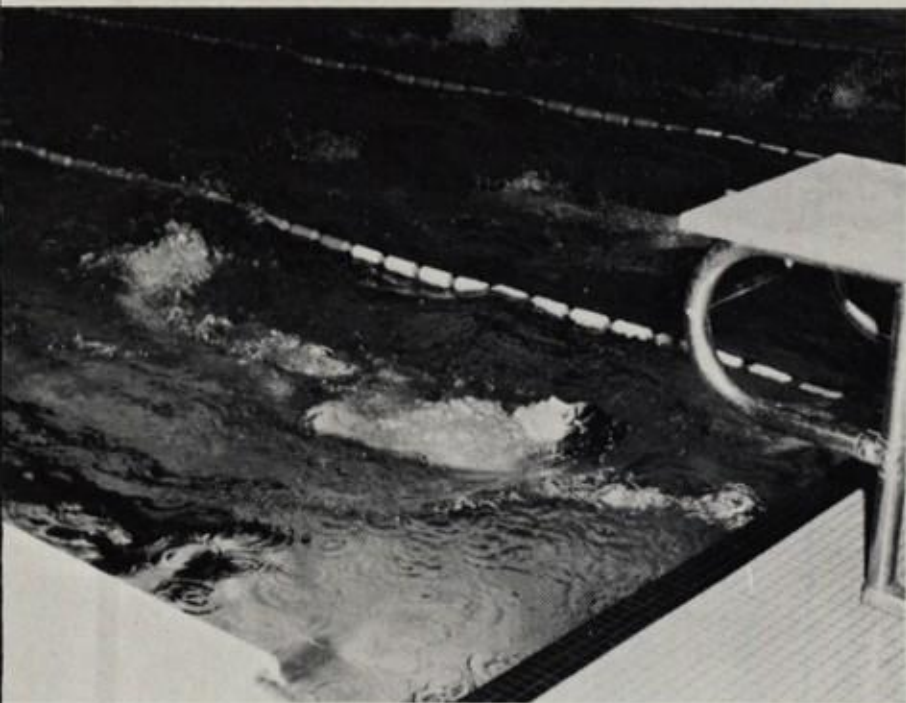

A relay team of four boys . . . timing . . . responsibility . . . the divers . . . precision . . . poise . . . both coached by Mr. Ignatius . . . Handicapped by the lack of a school pool . . . a tougher W.P.I.A.L. section . . . new team members . . . Anticipation of the meets . . . Swimmers, take your mark! . . . quiet . . . don't false start . . . bang! . . . instant action . . . four splashes . . . stroke . . . stroke . . . stroke . . . a breath . . . stroke . . . the turn . . . each stroke is harder . . . only a few more yards . . . finally reaching the wall . . . who won?

Joe Heaney goes into a swan dive

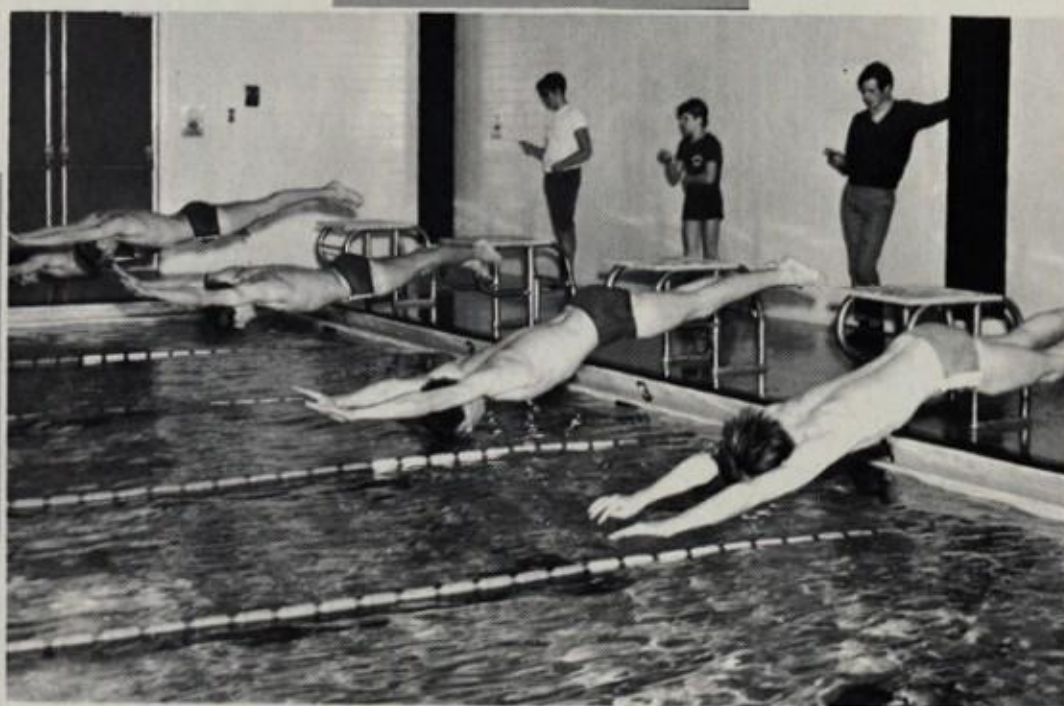

A fast turn can save seconds

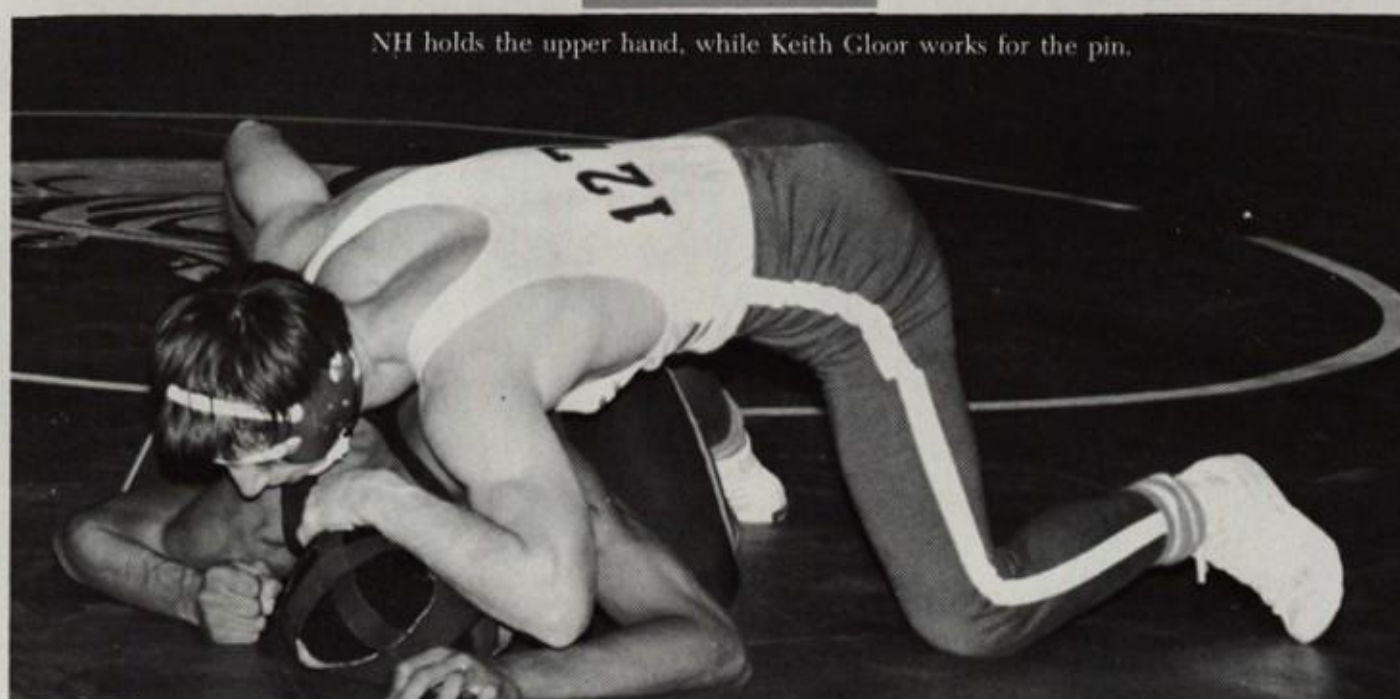

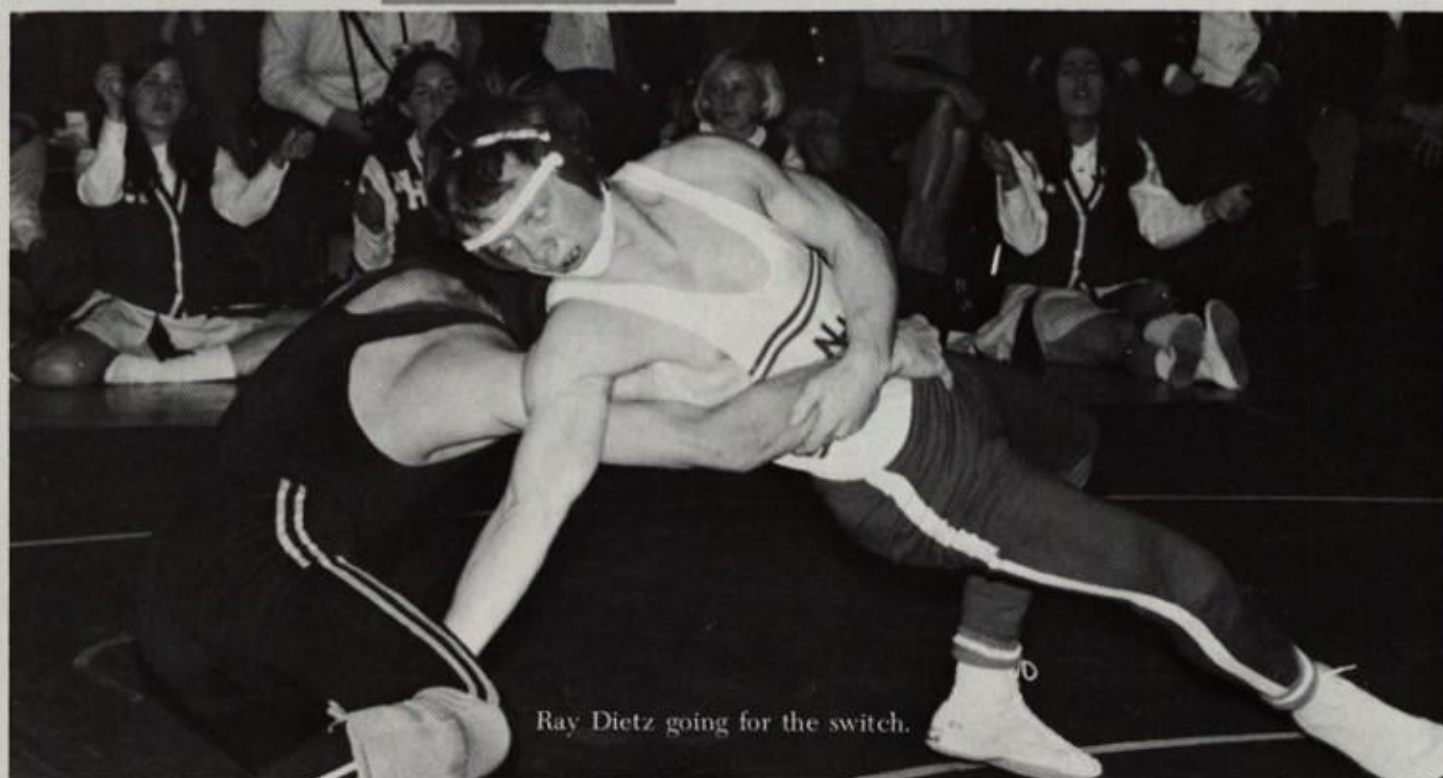

John Kane seen with a fine backstroke

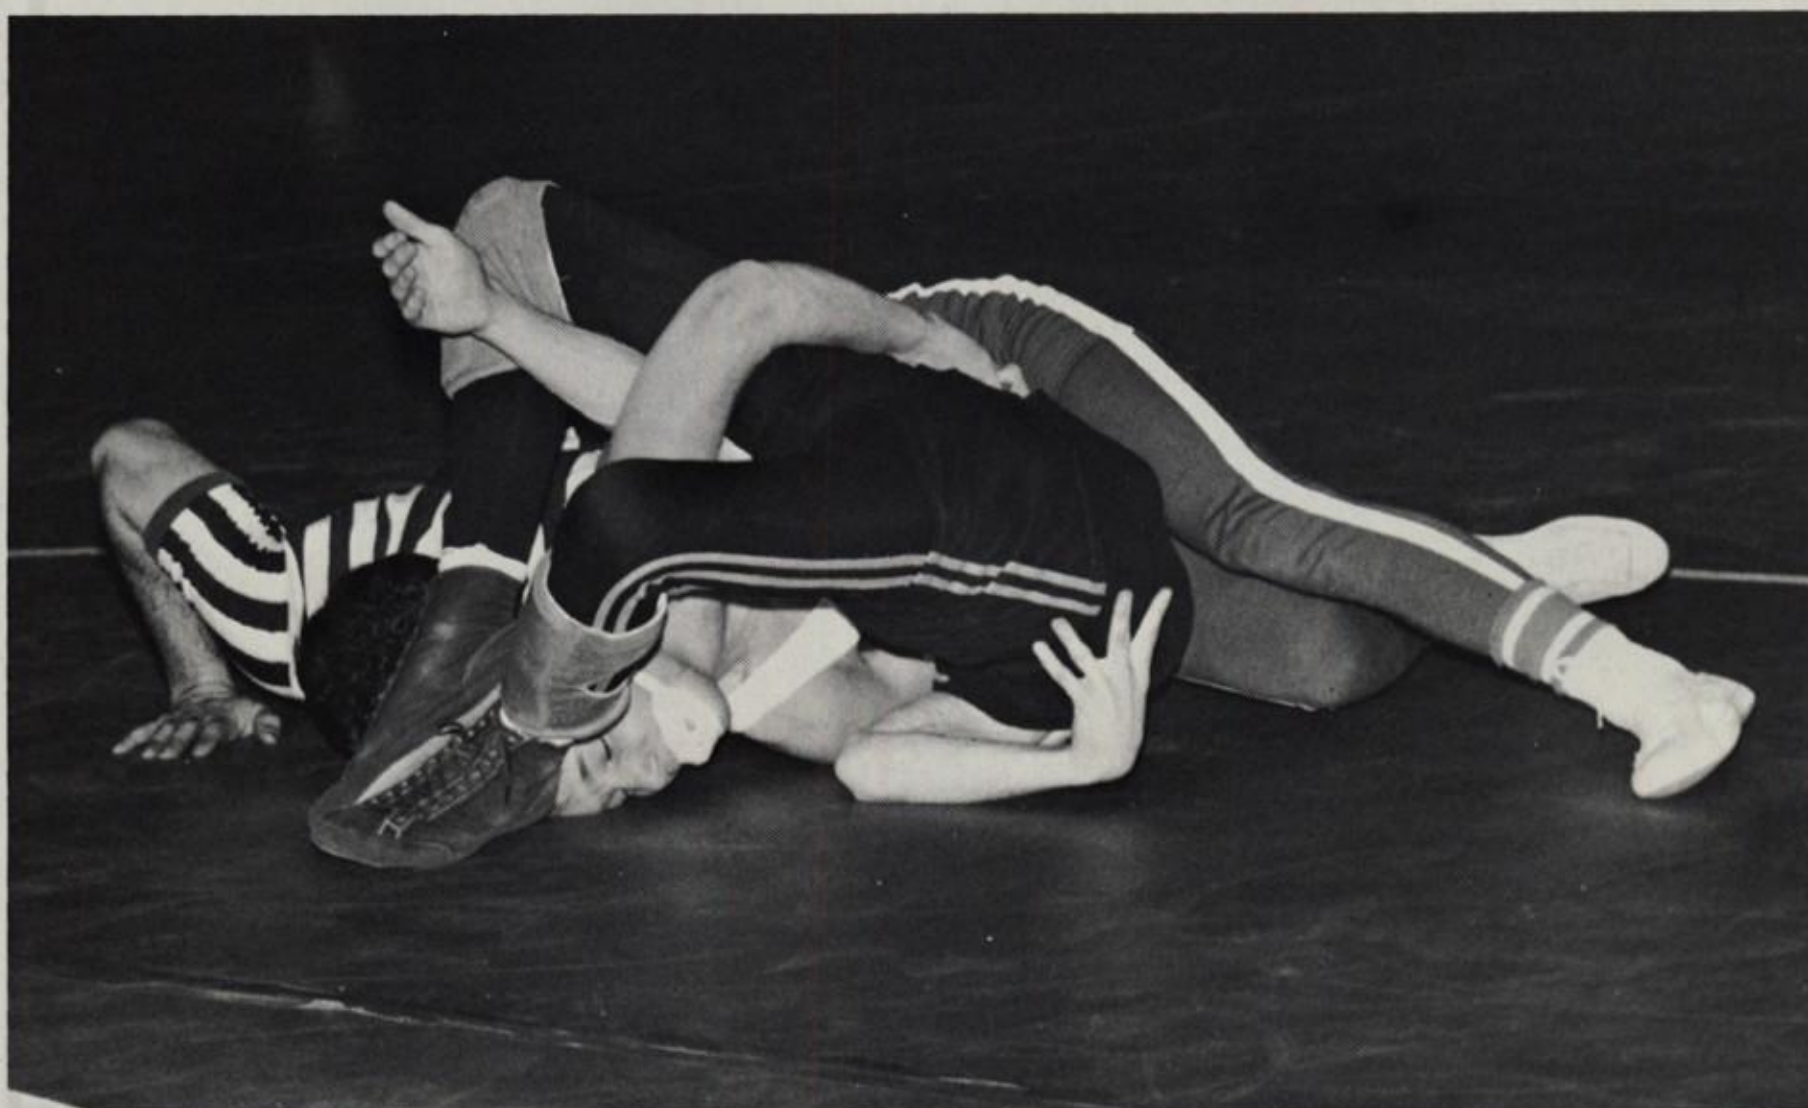

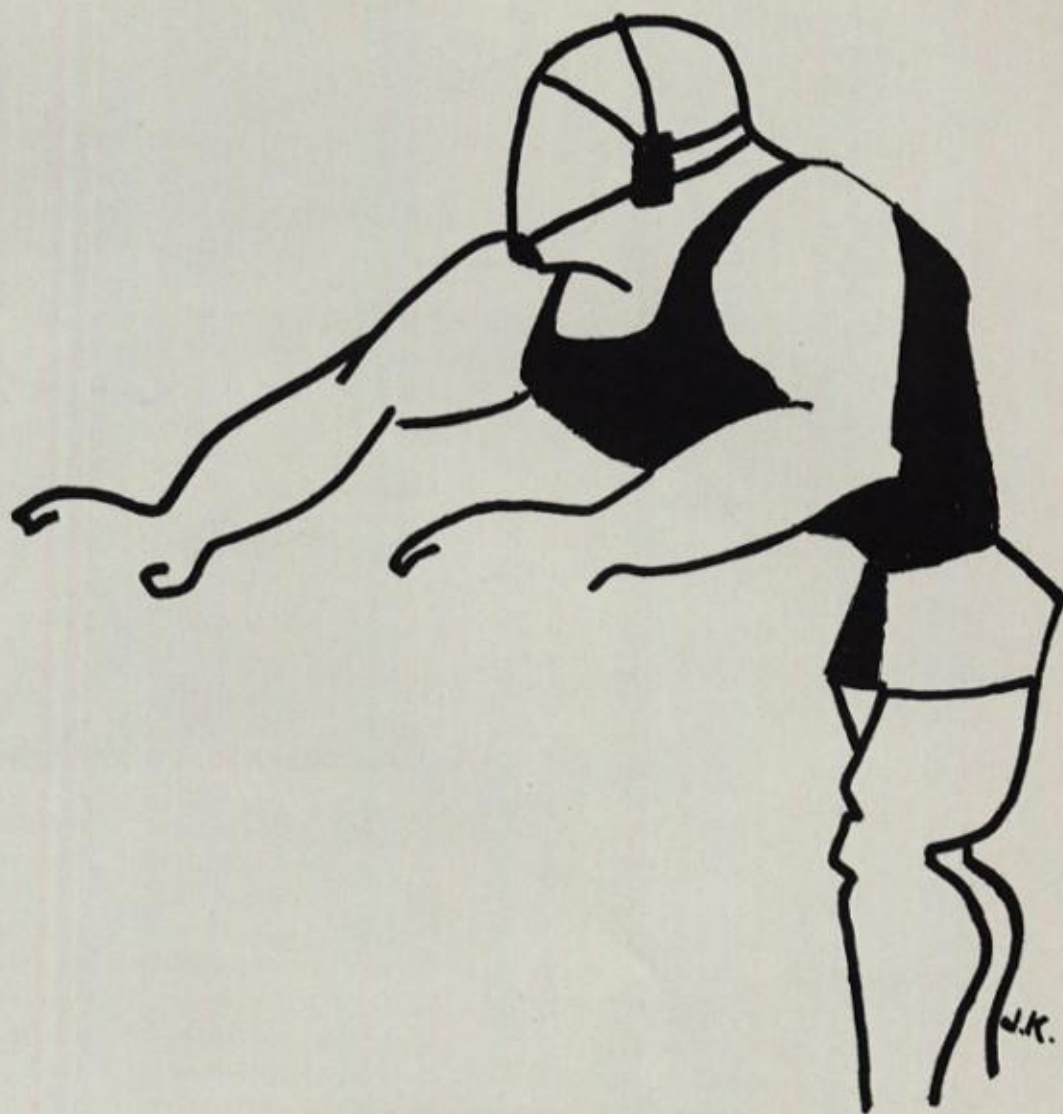

Glen Zankey prepares for a smooth entrance

Off the blocks!

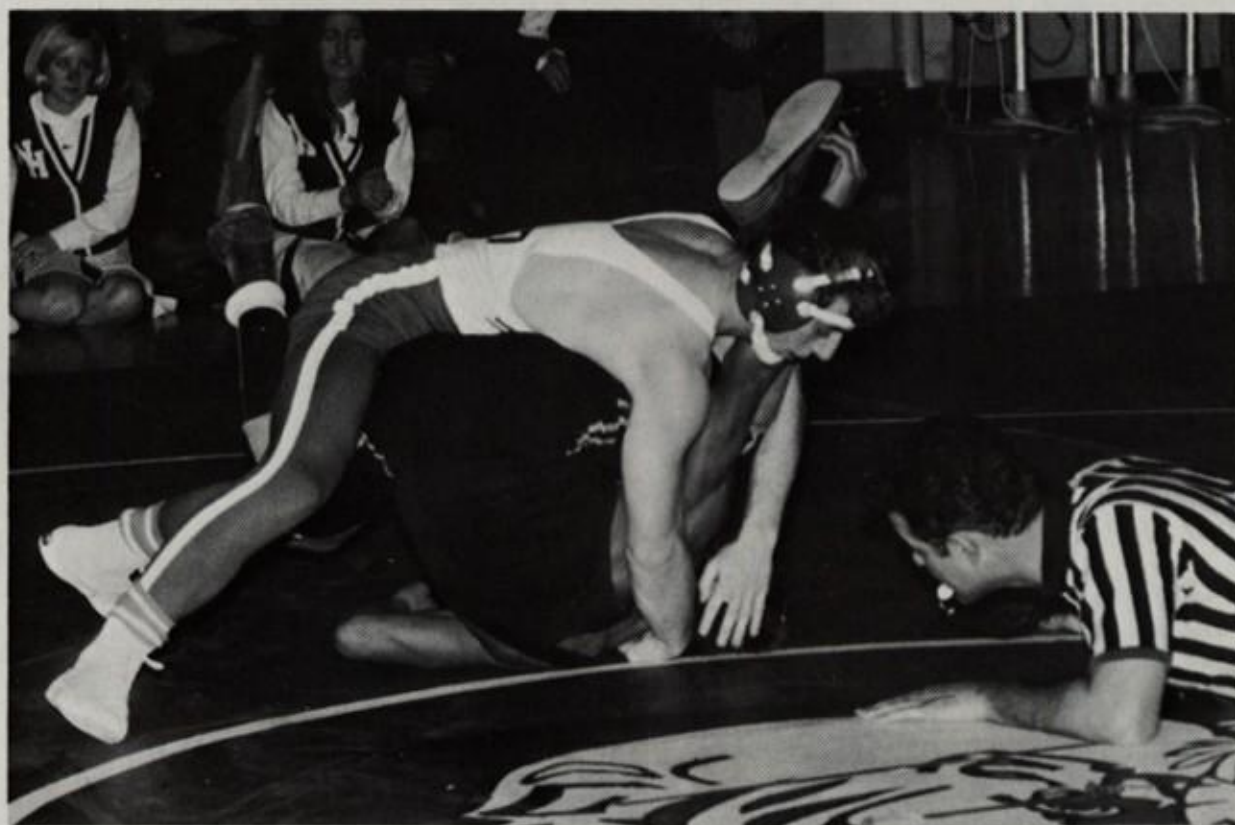

Like all sports, practice is the beginning . . . practice to get in shape . . . practice to learn the moves. Losing weight . . . near starvation . . . sweating . . . sweating . . . making weight by a half pound. The first match — with Hopewell . . . excitement . . . nervousness . . . butterflies . . . shaking the opponent's hand. Concentration . . . watching every move he makes . . . wait for him? . . . make the first move? Intelligence . . . quickness . . . strength . . . factors in strategy. Six minutes . . . seems like six hours . . . can't afford to slow up. One match is not a season . . . keeping weight down . . . more learning new moves. Dedication . . . patience . . . hard work . . . ingredients for success . . . characteristics of the North Hills Wrestling team, coached by Mr. Dodd — a bright future.

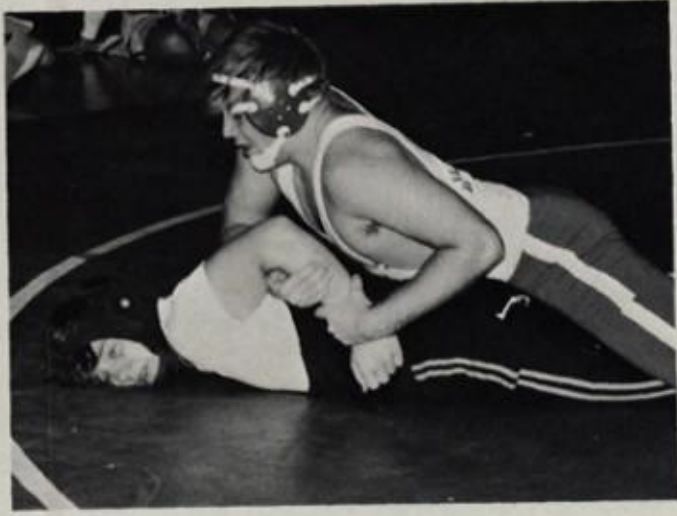

This is wrestling!

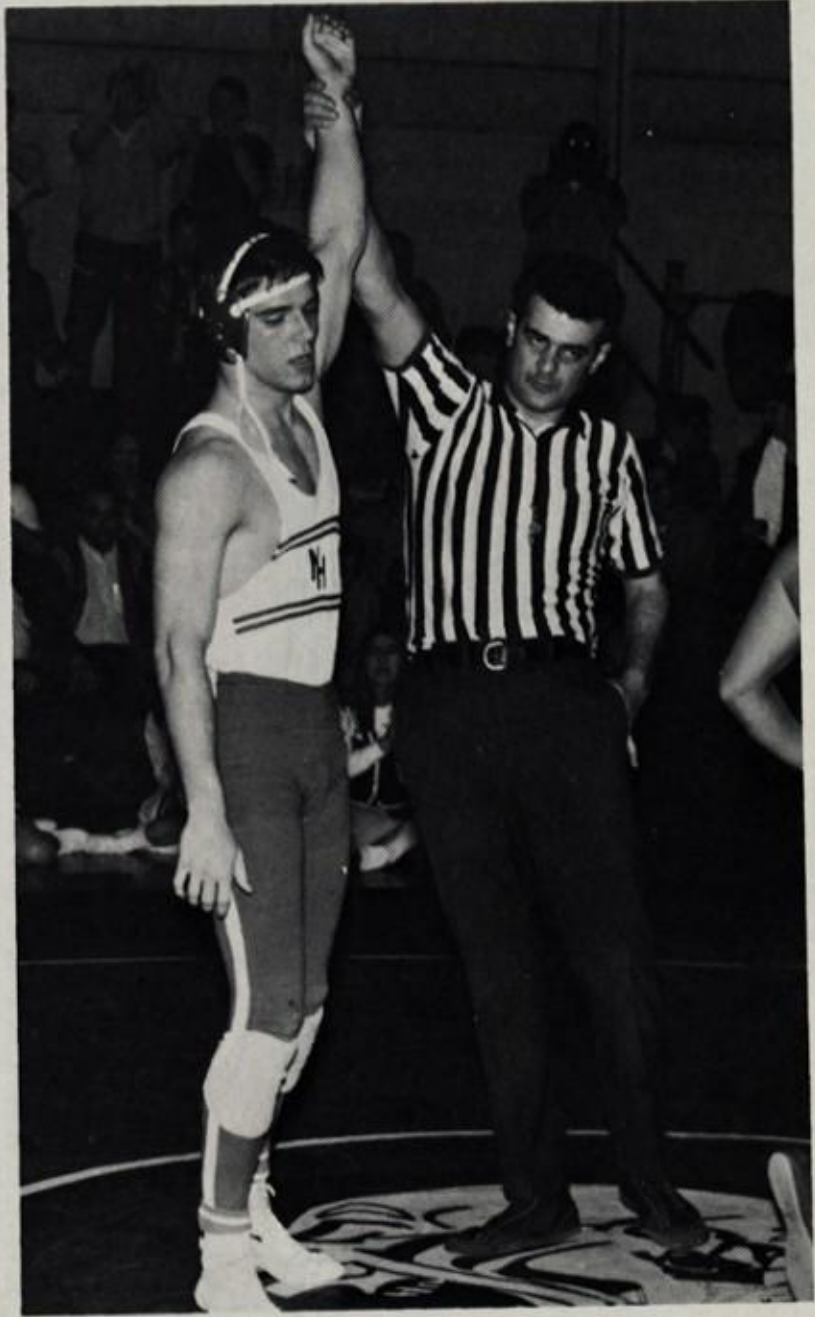

Hank Sauer employs the split scissors

Stuart Dotts blocks a double leg

Dave Kelly

A win for Larry Lehman, and more points for the NH total

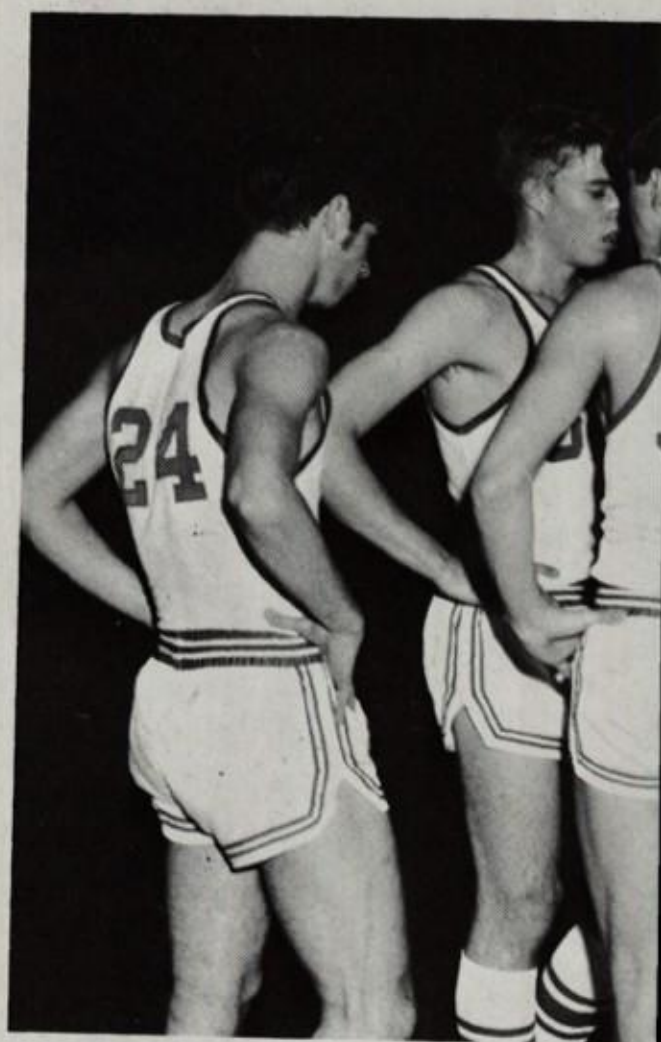

With the jump ball, Chip Lang easily out jumps his opponent.

Ries Horne, on a fast break, has a simple layup.

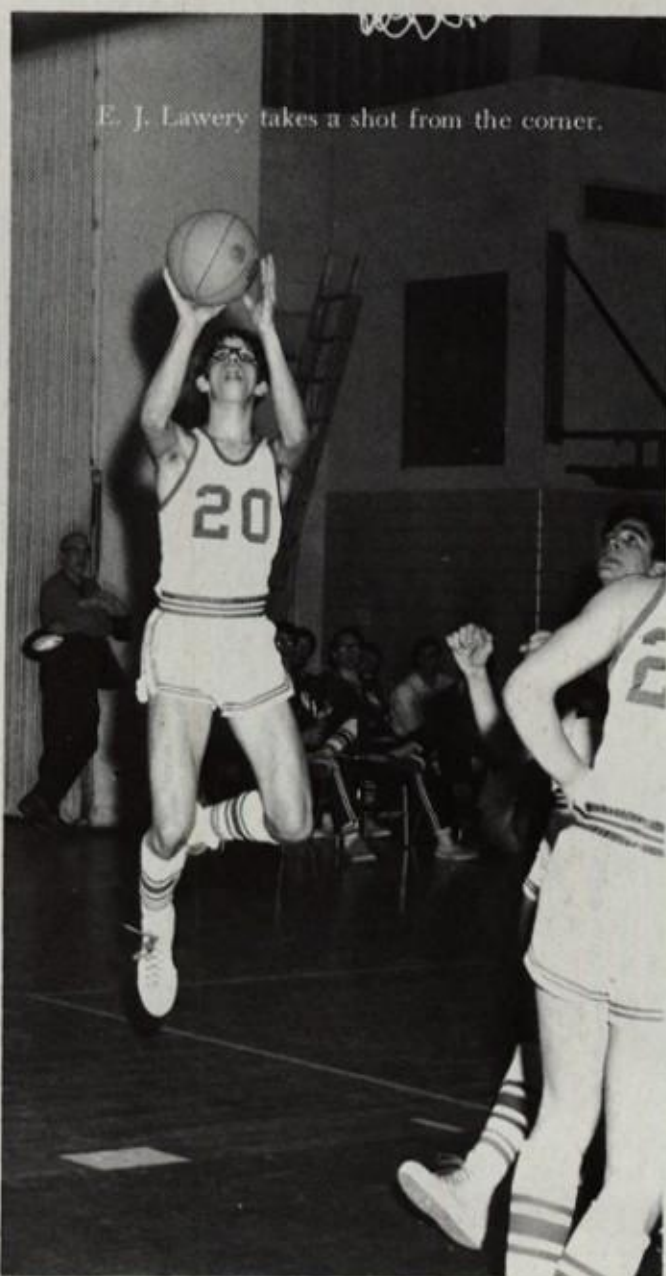

Last minute instructions come from Coach Hare before the boys start the game.

A team with experience . . . their ultimate goal — an undefeated season . . . practice, practice, practice . . . layups, jumpshots, foul shots . . . rebounds, tip-ins . . . steals, passes, dribbling — all for the ultimate goal of victory. Scrimmages . . . exhibition games preparing the team for section play . . . a pass by Kolarik . . . a pick by Chip resulting in a reverse layup for Bubba . . . a shot by the opponent . . . the sweeping hands of Lang clearing the boards . . . a long pass to Horne — all consummating in a field goal for North Hills. Section play . . . defeat grips the tribe — but the desire for victory still remains . . . the quality of undying effort brings the team a successful season.

Kolarik gets good height on a jump shot.

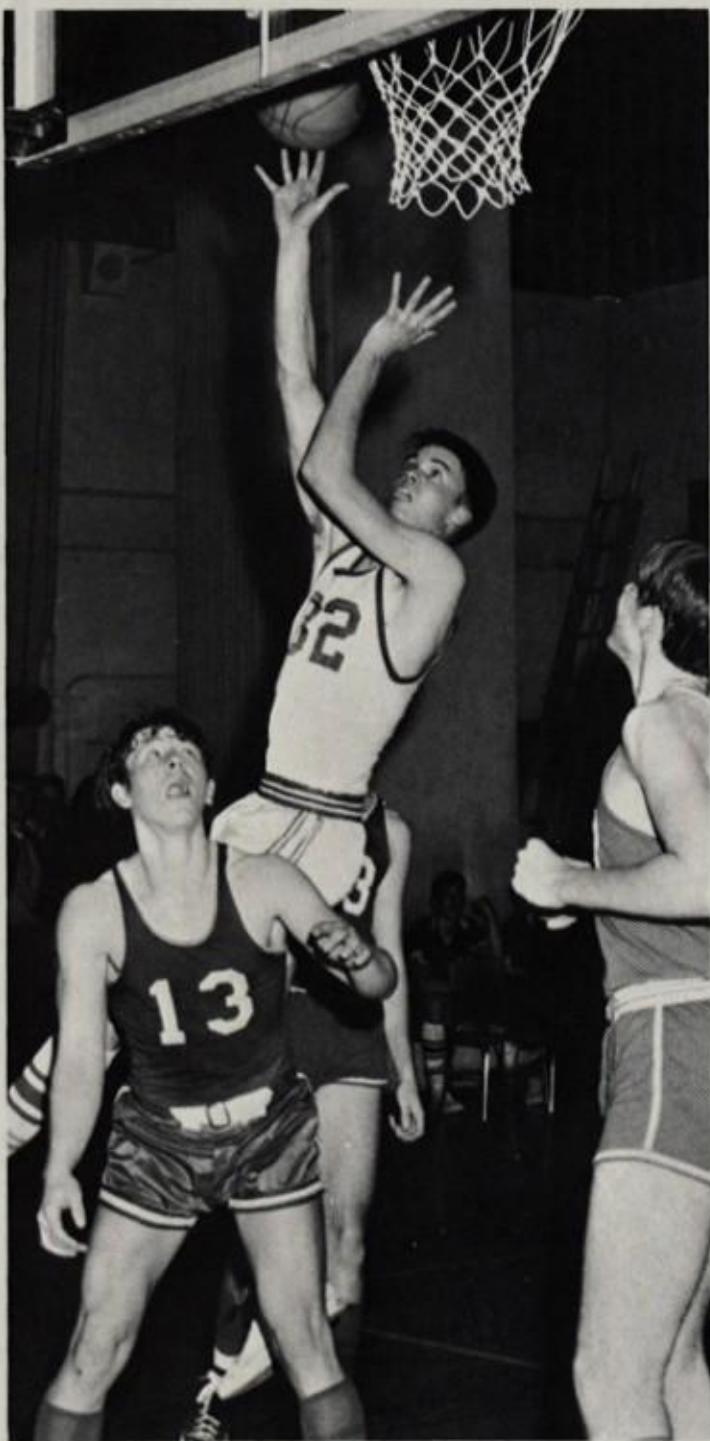

E. J. Lawery takes a shot from the corner.

A quick pass from Bob Hood to Chip Langs sets up an easy NH basket.

Chip Lang scores another NH basket with a layup.

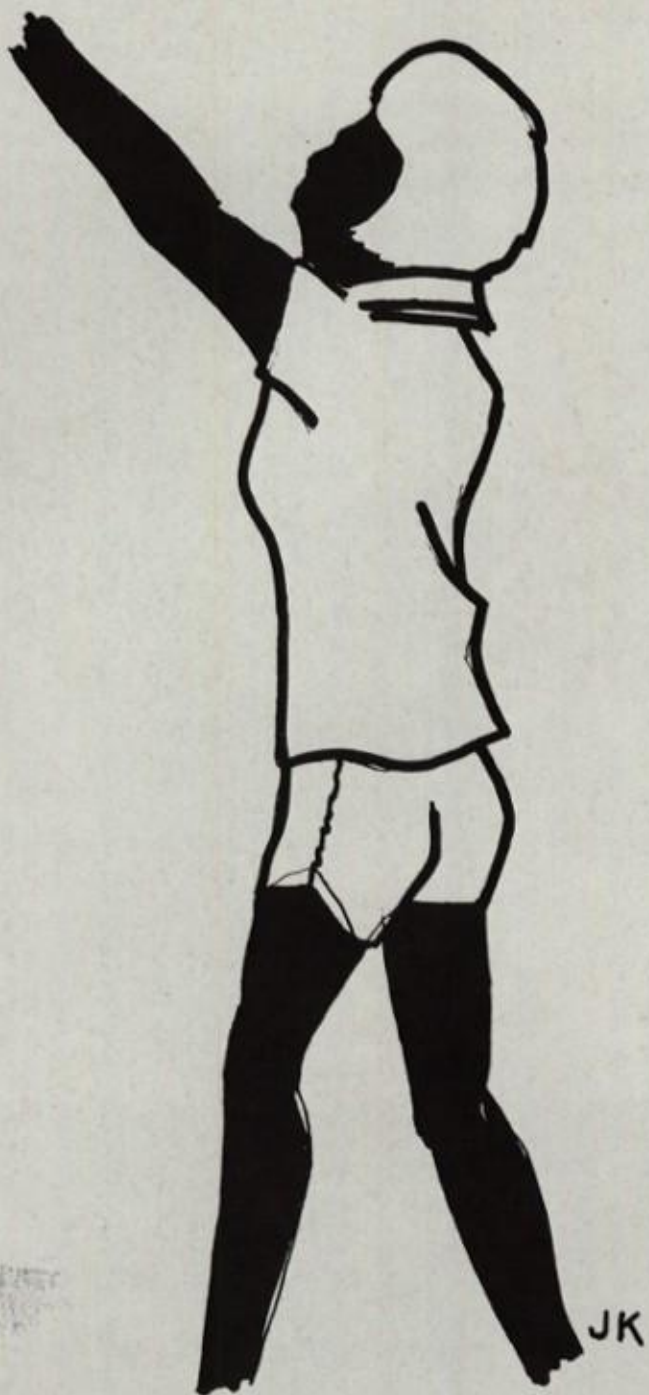

Jump Ball, NH gets it!

Shooting from center, Bob Wiltman displays graceful form.

A little publicized sport . . . as important as the others . . . practice November through February . . . resulting in an outstanding squad of Seniors . . . games twice a week . . . a few spectators . . . never quite enough . . . playing in new red and white uniforms . . . a team full of pride . . . determination made the difference . . . a very good season of 8 victories and only 2 defeats . . . a fine addition to North Hills sports in '70.

Coach Anderson discusses the game plans with the team

Mary Jane Deeley drives for a layup

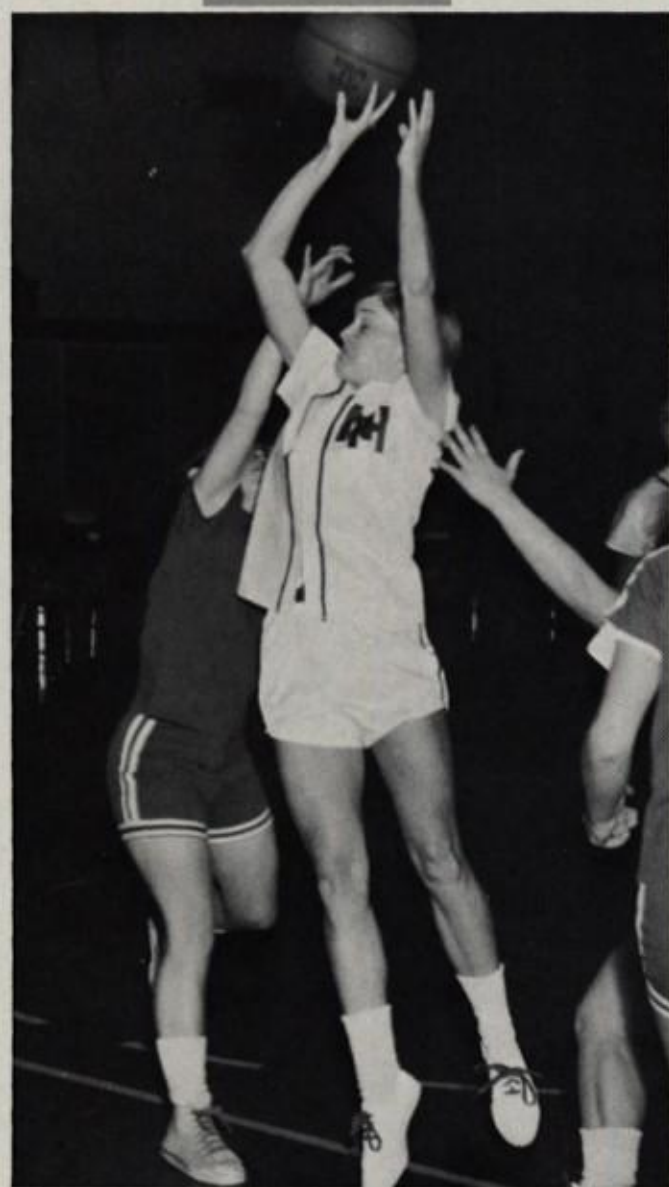

Judy Bechtold beats her guard to the basket.

Sally Rogers guards her basket.

Pat Rowe guards her opponent.

Debbie Hunter shoots from the outside.

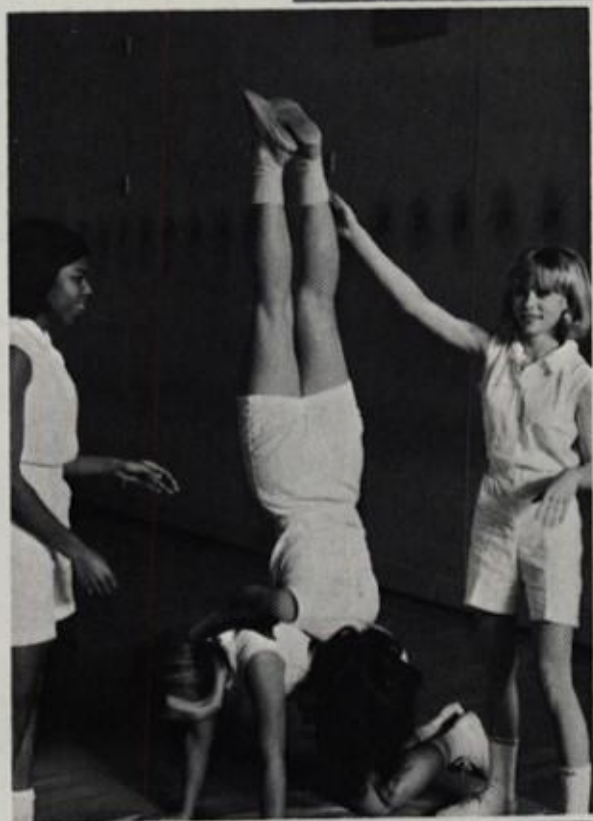

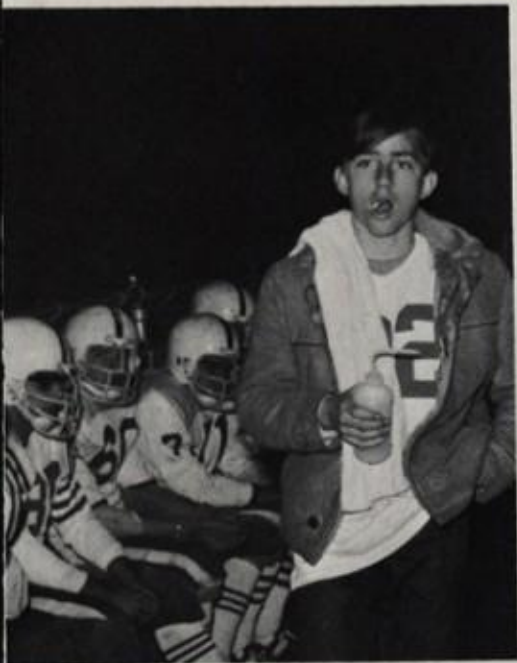

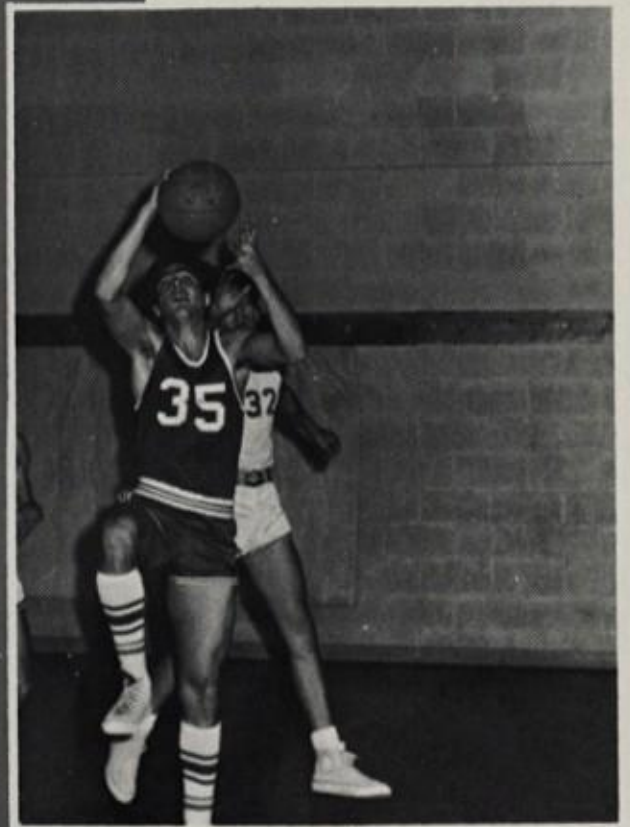

Joanne Thomas watches the play.

A young team determined to win . . . led by Sophomore captain Sue Scott . . . coached skillfully by Miss Dancho . . . poise, grace and speed coupled with endurance . . . qualities necessary for victory . . . a team that will soon make girl's swimming a leading sport at North Hills.

A proud line of red and white marches down the length of the football field . . . the strains of “. . . Alma Mater, we shall treasure memories that never die . . .” cut through the clear, cold night . . . a cheer goes up from the crowd as Don catches his baton . . . practicing, perfecting, during the summer months . . . a long, muggy week at band camp . . . a parade in the bright September sun and a \$100 check, first prize for a job well done . . . a flag billows in the November breeze as thousands of onlookers salute it . . . Mr. Mercer, our leader . . . teaching . . . guiding . . . a shout of rage — “DON’T YOU MOVE!” . . . and in the next breath — “That’s better!” . . . words of restrained, but sincere, praise . . . pride, the spirit of the North Hills Marching Band.

**ADMINISTRATION
SENIOR FACULTY**

SCHOOL ADMINISTRATION

Dr. Edward D. Kruse

The North Hills School District has been privileged to have Dr. Kruse as the Educational Director for the past twelve years. His qualifications for this very important position include a B.S. from Slippery Rock State College and Masters and Doctoral Degrees in Education from the University of Pittsburgh. Because of Dr. Kruse's sincere devotion, initiative and hard work, the North Hills School System has reached a high standard of educational excellence.

Mr. Martin W. Scholl

The 1969-1970 school year marked the eleventh year of service for Mr. Scholl as Director of Secondary Education. He is responsible for the direction of the administration, faculty and students. Currently participating in the Doctoral Program at the University of Pittsburgh, Mr. Scholl received his A.B. from Thiel College and his M.Ed. from the University of Pittsburgh. It is because of his hard work that our school district remains superior.

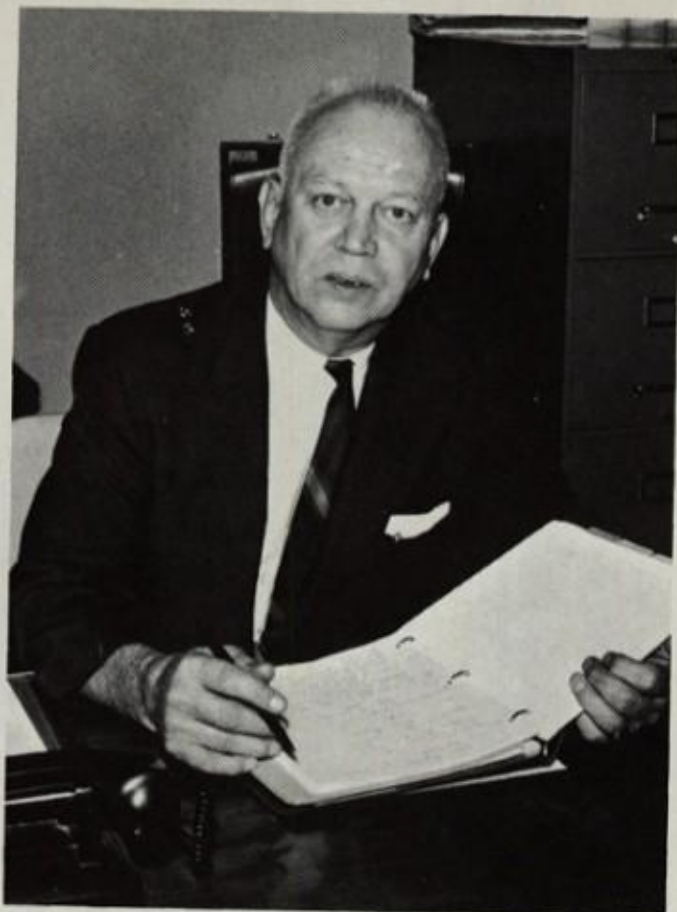

The North Hills School Board

The School Board is an important part of the educational system of the North Hills area. The duties of approving the curriculum and hiring personnel were doubled this year because of the creation of the Intermediate High School. The dedication and hard work of the members have helped North Hills obtain a high standard of educational excellence.

NORTH HILLS BOARD OF EDUCATION

Standing: Dale T. McCandless, Stewart G. Lockhart, William D. Johnson, Jr., Robert R. Corley. Sitting: Carl R. Beisecker, John A. Allen, Jr., Esther S. Hope, Secretary, Horace C. Bennett. Missing from Picture: Clarence W. Cummings, Howard E. Hood.

Arthur J. Hartman

Mr. Hartman has served North Hills as Principal for twelve years. He not only has worked diligently in our school district, but also has served as President of the Secondary School Principal's Association and of the Allegheny County Round Table. Mr. Hartman received a B.S. from Slippery Rock State College and M.Ed. from the University of Pittsburgh. His devotion and understanding has led to the betterment of North Hills High School.

Raymond A. Pepper

During the eleven years he has been assistant principal, Mr. Pepper has worked tirelessly to better our school and has helped to give it the fine reputation it has. Mr. Pepper is well qualified for his job. He has received a B.S. and M.Ed. from the University of Pittsburgh.

James R. Harper

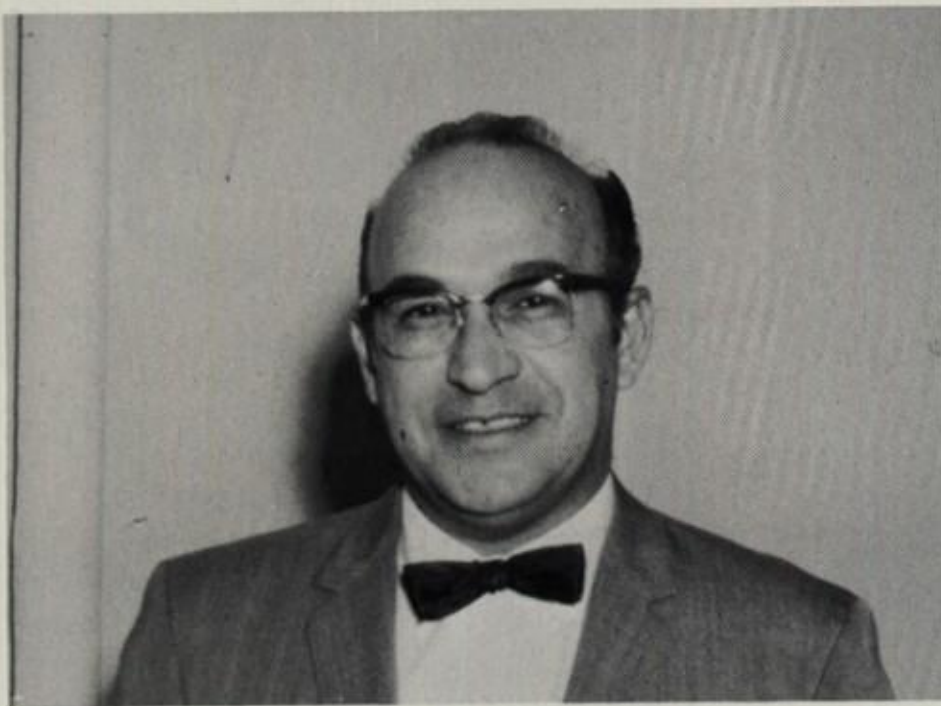

Mr. Harper has served as Vice-Principal for only one full year and yet he has earned the respect of everyone as a fine administrator. He received a B.S. from Slippery Rock State College and M.Ed. from the University of Pittsburgh. By successfully dealing with the problems of the school and with the tasks of his position, Mr. Harper has proved to be a generous and efficient administrator.

INTERMEDIATE HIGH SCHOOL ADMINISTRATORS

Vernon Metz

Vernon Metz, the new Principal of the North Hills Intermediate High School, leaves behind him an impressive 30 year teaching career. His qualifications include a B.A. from Capital University, a M.A. from the University of Pittsburgh, plus additional training at Duquesne University and Carnegie-Mellon University. In thirty years, Mr. Metz has witnessed numerous changes at North Hills, and can now use this experience to advantage as Principal of the new Intermediate High School. Congratulations to Mr. Metz for a superb job!

Joseph K. Consolo

The 1969-70 school session welcomed Mr. Consolo back as the tenth grade principal. Since the split-sessions were instituted this year, he is in charge of the sophomores in the Intermediate School. Prior to being principal, Mr. Consolo taught in the Mathematics Department. He graduated from the University of Pittsburgh, where he received a B.S. and an M.Ed. North Hills can look forward to the helpful guidance of Mr. Consolo for many years to come.

Anthony Venditto

Anthony Venditto, principal of the ninth grade, has come to us after years of a distinguished teaching career. An alumnus of Slippery Rock State College, class of 1954, he went on to the University of Pittsburgh to obtain a Masters degree. During the course of the 1968-1969 school year, he took over as Vice Principal of Ross Junior High, filling the vacancy left by the previous administrator. A special favorite among students who had him as a teacher, this new position has not altered his image or his ability to understand the problems facing the typical and not so typical high school student. We hope that Mr. "V." and all his special qualities will stay with us indefinitely.

Aftermath

In the treasury of the world
my eyes cast shadows
on fallen leaves in hues of brown.
Crushed by the gentle steps of nature,
to remain unnoticed.

Eternities in raising pyramids to the heavens,
having no heavens,

Precious time

in shadows known only by each leaf.

When my leaf falls
will it carry a sapling;
or will eyes cast shadows?

A. David Napier
class of 1968

Marsha,

It's been a great year - and a lot of fun.
I really enjoyed all the time we spent
together. Talking about different problems, about
Bill and Mark, going to RAP meetings - and
that adventure we had in Shadyside when
we went to see the movie Woodstock. Boy,
I didn't think we would ever get home. Oh,
remember that time we had to go get that
fuse for your VW. Stopping every 5 minutes in
the rain to wipe all the windshield. And don't
forget all the fun in study hall and gym
class 3rd period. I hope you have a real
nice summer. Maybe we can plan a get-
together at Sandycreek (from picnic table) it's so
pretty. See you next year.
